Established in 1976 with the name Export Packaging Company - under the Ministry of Trade. Transformed into VPC Printing and Packaging Joint Stock Company in 2018. With consistent effort over the past 50 years, VPC has attained a strong position in Vietnam's printing and packaging field.

We aim for implementing a professional working mindset and advanced technology in our business strategy. We aspire to become the leading solution provider for valuable packaging creation in Southeast Asia, while creating a growing sustainable environment.

VPC'S BUSINESS PHILOSOPHY EMPHASIZES ON:

- Professional ethics
- People development is our core center
- Committed to continuous quality improvement
- Investing in modern technology and machinery
- Maintain safe and sustainable environmental factors
